

Forbes Interviews Mass Luminosity CEO

April 9, 2013 - DALLAS, TX, - Mass Luminosity announced that Forbes has published an interview with our Founder and CEO, Angel Munoz. Forbes is among the most trusted resources for senior business executives, providing real-time reporting, uncompromising commentary, concise analysis, relevant tools and community interaction.

Mr. Munoz answers some very direct questions about his history in esports and the reasons he launched Mass Luminosity. He also speaks candidly about some of the new projects that will soon be unveiled.
