

Kinguin Extends Global Sponsorship of Gaming Tribe

Dallas, Texas — Thursday, March 3, 2016 — Gaming Tribe, a global social network for tech savvy gamers, announced that Kinguin.net, one of the most popular places in the world to purchase video games, has extended its global sponsorship of Gaming Tribe through 2017. Kinguin will enhance its support of the popular Gaming Tribe promotions, and increase its direct engagement with the community of gamers on their GTribe page located at www.thegtribe.com/page/Kinguin

“Kinguin is excited to continue its ongoing relation with the Gaming Tribe global community. We want to continue to provide this community a reliable and trustworthy marketplace to purchase games at affordable prices,” said Paweł Radzimski, PR Manager from Kinguin.

“I’m thrilled that Kinguin has extended its support of the Gaming Tribe community,” said Angel Munoz, founder and creative director of GTribe. “We look forward to continuing to offer our global community the amazing everyday low prices available at Kinguin.”

About GTribe

Gaming Tribe is a next-generation social network, composed primarily of tech savvy PC gamers. Its active members are known for sharing computer components, peripherals and games, with no expectation of compensation or reward. The global social network is also devoid of conspicuous advertisement, and instead has chosen to be sponsored by a group of dedicated tech companies and by its own members. Join the social revolution at www.thegtribe.com.

About Kinguin

Kinguin.net is a marketplace where both wholesalers and customers can trade games to ensure competitive prices on every product on a wide range of platforms. With more than 13,000 games available and over 3 million satisfied customers, Kinguin is one of the largest video game e-commerce destinations worldwide.
